

SRSP's Social Capital fighting against COVID-19

Currently, there are currently total **11,237 Community Institutions** formed by SRSP active throughout KP and Merged Districts in COVID-19 including 146 LSOs, 1,378 VO and 9,713 COs and engaged with SRSP teams on ground. The overall coverage includes **96 tehsils, 473 UCs and 3,359 villages** that is expanding with each passing day.

The support they provide is from their own generated resources voluntarily. They are contributing in Mass awareness campaigns, food & non-food items distribution, cash disbursement, soaps & sanitizers' provision, non-medical facemasks & gloves production and distribution among vulnerable communities on self-help basis. Further, they are also linked with multiple local actors; government and non-government to support in the ongoing activities on humanitarian grounds.
