The leaders of **LSO Narezai** are planning and implementing development activities both on a self-help basis as well as in collaboration with government agencies. The EU-funded BRACE Programme is empowering rural men and women in Balochistan through realising the power they gain from collective action. Organised men and women are now gaining awareness about their rights, making the service providers accountable, and also taking initiatives to improve their lives.

**LSO Representative held L/S Medical Camp with Live Stock Official District Zhob**

The LSO of UC Narezai mentioned the disease in livestock goats and sheep. Therefore, they decided to approach livestock representatives, elected representatives, and local rich people for resource mobilisation. They held meetings with potential philanthropists and requested them the provision of vaccines to needy families for livestock. As a result of their efforts, Deputy Director Livestock provided...
medical camp for livestock to the LSO representatives, the camp was held in the village UC Narezai, and in the month of December 2021, lots of livestock (goats and sheep) were vaccinated.

**Awareness Session on COVID-19**

In addition, on the instruction of the LSO leaders, the Community Resource Persons (CRPs) delivered awareness sessions in Community Organizations on the signs and symptoms of the Coronavirus disease, precautionary measures to be taken to remain safe from getting infected by the dangerous virus like wearing face masks, washing hands frequently with soap and avoiding crowded places.

**Construction of Water Supply Scheme in Collaboration with the BRSP**

Villagers of Khuzak Zai, Union Council Narezai called a meeting with LSO and requested the LSO representatives to resolve their problem by constructing a water supply scheme for villagers to resolve the issue of drinking water. LSO representatives checked the proposed site of the area and estimated that it would cost 1.9 million. Therefore, they decided to do resource mobilisation for the construction of the water supply scheme. The first meeting was held with the BRSP district officials and the Secretary of their Union Council. They requested to allocate some funds for the construction of the water supply scheme. After a series of meetings, they were able to convince BRSP to allocate PKR 1.9 million for the construction of a water supply scheme. The construction work was started in May 2020 and was completed by end of November 2021.

**LSO Representative meeting with NADRA Official District Zhob**

Village Organisation representatives requested the LSO representatives to resolve the issue of CNICs. As the villagers don't have CINC. LSO representatives visited the different villages of the union council and surveyed for CNIC making and they met with the District NADRA officer Zhob and requested him to provide the NADRA Van to make CNICs for the people of UC Narezai. He ensured and promised to provide the NADRA Van for making CNIC in UC Narezai, where a total of 146 CNICs were registered with NADRA with 21 male and 125 female registrations.
