The leaders of **LSO Algadh Wall** are planning and implementing development activities both on a self-help basis as well as in collaboration with government agencies. The EU-funded BRACE Programme is empowering rural men and women in Balochistan through realising the power they gain from collective action. Organised men and women are now gaining awareness about their rights, making the service providers accountable, and also taking initiatives to improve their lives.

**Construction of Water channels scheme**

The villagers of Mandea and Sadozai Babar called a meeting with LSO and requested the LSO representatives to resolve their problem by constructing a water channel for the agriculture to save water. The LSO representatives checked the proposed site of the area and estimated that it would cost PKR 8 million. Therefore, they decided to do resource mobilisation for construction of the water channels for agriculture. They first held meetings with the BRSP...
district officials and Secretary of their Union Council and requested them to allocate some funds for construction of the water channels. After the meetings, they were able to convince BRSP to allocated PKR .8 million for construction of a water channels, which is now benefiting 108 households the of the village Mandea and Sadozai.

Land leveling
The villagers of Sadozai and Khan Zai called a meeting with the LSO representatives regarding the land levelling for the agriculture. The LSO representatives met Local representatives and MPA Haji Mitta Khan Kakar in this regard and requested for their help and support as agriculture is one of the main source of income of the residents. They were able to convince the MPA Haji Mitta Khan Kakar and he allocated PKR .4 million for the agriculture land levelling.

Construction of Flood Protection Wall
The villagers of Khanzai Babar met LSO representatives and requested the LSO representatives to construct a flood protection wall to protect the agriculture from torrential rains. The LSO representatives checked the proposed site of the area and estimated that it would cost 1 million. Therefore, they decided to do resource mobilisation for construction of the flood protection wall for agriculture. They held meetings with the BRSP district officials and requested them to allocate some funds for construction of the flood protection wall. BRSP was convinced and they later released an amount of PKR one million for construction of a flood protection wall. All the villagers thanked BRSP for the construction of flood protection wall.

Maintenance and Repair of School Building
The LSO representatives held a meeting and came to know that the school building in Sadozai is in a very bad condition and we have to renovate it. The LSO representatives went to the minister, an elected representative Zhob and informed him about the whole situation. Meanwhile they asked the minister for his support and requested the required funds to be released for the renovation of the school. their request was accepted and funds worth rupees 3.9 million were allocated for the renovation work. Using their linkages the LSO representatives managed to renovate the school building.
